

PE Action Plan 2014-15 Impact of Sports Grant

Objective: To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across the school

- £3000 on contributing to the employment of a School Sports Co-coordinator for our local partnership of schools.
- We also aim to continue to use the funding to support staff CPD and to cover the cost of supply
- We have also used some of the money to buy new and replace old and damaged equipment.
- Children have had more opportunities to take part in a wider range of sporting events this year and we are hoping that this will continue with the continued PE and Sport funding.
